Smile Design Center  
participating in  
*Relay For Life*  
in Viera/Suntree

dad has been in an ongoing battle with cancer. We are also walking for John and Sara's family.

The event is an 18 hour walking relay held at the new Viera High School athletic stadium track, starting on Friday, April 27th at 6:00pm with the first lap being only survivors. There are many activities planned for the young and old from performances to activities for the kids.

Lighting up the evening is a Luminaria Ceremony of Hope. This signature event of Relay For Life will begin at 9:00pm, honoring cancer survivors and remembering the loved ones lost to cancer. The word HOPE glows in the stands from the burning luminaria candles. Each candle represents either the memory of one lost to cancer or those surviving.

There are over 35 teams participating and each one will have a camp along the inside of the track. In determination to raise more funds for the fight against cancer, many teams are having a fund raising activity at their campsite; we will participate with a Xylitol lemonade stand.

We encourage anyone who can to support the Smile Design Center Team in the Relay For Life  
*Cont. Relay For Life on page 2*

Smile Design Center will be a team sponsor of the first ever American Cancer Society Relay For Life in Viera/ Suntree, walking to raise money to help fight cancer.

Dr. Chris Edwards' family has been riddled with skin cancer for years. In 2005, "GP", his dad, passed away from stomach cancer. This first hand experience with cancer's affect on a family has moved us to support Relay For Life in Viera/Suntree. Our newest team member, Sara's step-

Smiles. Health. Life. Keep it Green...

Earth Day April 22, 2007

# Did you Know?
