Helping the Helpers

WHEN THE GOING GETS TOUGH, WE SHARE OUR STRENGTHS WITH OTHERS TO GET THROUGH THE HARD TIMES. FOR TROPICAL SMOOTHIE CAFÉ®, THE STRENGTH LIES IN, WELL, MAKING SMOOTHIES, AND LISA MORRISON OF THE LOCAL VIERA FRANCHISE WAS ALL TOO HAPPY TO DONATE AND DELIVER 100 OF THE YUMMY TREATS TO THE NURSES AT VIERA HOSPITAL, STAFF AT THE HEALTH DEPARTMENT AND TO BREVARD FIRE STATION 48.

The donations were part of #InItTogether, a nationwide challenge by Tropical Smoothie Cafe's parent company to distribute 100,000 of the healthy drinks to healthcare workers and first responders on the front lines of the COVID-19 pandemic. The brand's focus has been on supporting all communities where our franchise owners and the cafe employees live and work. "In cafes across the country, the Tropical Smoothie Cafe family is working tirelessly to support our local communities, which are currently facing unprecedented hardship," said Charles Watson, CEO of Tropical Smoothie Cafe, LLC.

To reach the goal of 100,000 smoothies, each of the 830 Tropical Smoothie Cafes were asked to donate at least 100. As of March 27, Tropical Smoothie Cafe franchise has delivered approximately 20,000 smoothies across over 20 states and over 30 markets. Viera's Tropical Smoothie Cafe was in the vanguard of participating locations. They were not the only business to step forth to make life a little brighter for Health First medical heroes. Among the Viera businesses donating their talent, time or treasure were Viera Builders, W&J Construction, Amici's Restaurant, Coldstone Creamery, Taco Bell, Bella Luna Restaurant, CVS Pharmacy Viera, Remax Aerospace, Space Coast Credit Union, Chick-fil-a Viera and Domino's Pizza.

It was not only medical frontliners who have received an assist from local businesses. Chris Conneen of Pizza Gallery & Grill and 28 North, both at The Avenue Viera, has been feeding people for three decades, so in

2016 Conneen joined forces with Buzz Underill of Squid Lips to create Hospitality Life, a nonprofit that provides a lifeline to industry employees who have fallen on hard times. With the pandemic, Conneen and Underill have their work cut out for them as they work to serve those who have served us, the 10,000+ recently unemployed food and beverage workers in Brevard. The organization has multiple restaurants each day preparing hot meals for hospitality workers in need. They can feed individuals or families a nutritionally balanced meal for under two dollars per person. Conneen and Underill are challenging the community to join them with "virtual tips" made through Facebook and GoFundMe links available at HospitalityLife.org.

For the entire community, Florida Today, with headquarters on Viera Blvd., has made all stories related to COVID-19 free to read.

The Viera Company is focusing their monetary donations on food and shelter for local families in need during the crisis along with their parent company A. Duda and Sons, Inc. Donations include Brevard Schools, local food banks and multiple critical needs hot spots.

Be it news, meals or just a refreshing smoothie, the gifts of Viera area businesses have helped brighten the day for both the heroes who are risking their lives to keep us safe, as well as for the rest of us, who all have been affected in one way or another by the pandemic.
